3 February 1967

MEMORANDUM FOR THE RECORD

Morning Meeting of 3 February 1967

DD/I informed the Director that DIA had intended to produce a monthly report on casualty figures at the request of [redacted] 25X1
In accordance with the Director's previous remarks, the DD/I explained the sensitivity of this project to [redacted] who after conferring with General Wheeler decided not to go through with it. 25X1

DD/I said that we now have a State/CIA/DIA paper on the status of infiltration into South Vietnam. He said that Tom Hughes will probably ask to make this an agreed USIB document.

Godfrey called attention to a North Korean attack on a South Korean outpost south of the demarcation line. He noted that it was not the normal weather period for such action and doubted that South Korea will let the incident pass without responding.

Godfrey enumerated indications that Mao may be accommodating some of the provincial Party groups.

DD/S briefed on a call from the placement director at Columbia University inviting the Agency to send a representative for discussions with the students under the auspices of the Student Council in connection with a scheduled recruitment visit on 8 February. (See Action 1)

Executive Director suggested that we examine the possibility of getting some mileage out of our sessions with the International Fellows.

Warner said that John Richardson will testify before the Fascell subcommittee of the House Foreign Affairs Committee on 8 February.

Lansdale for Houston briefed the Director on the latest developments concerning IRS and Ramparts magazine.

Bross felt that the Director's session with PFIAB yesterday had gone well.

[redacted] 25X1

A-DD/S&T noted that Dave Brandwein will brief James Webb this morning.

[redacted] 25X1

DD/P noted a good cable from COS, Saigon defending the Agency's control of the PRU.

X1 [redacted]

DDCI noted an invitation from the Navy to attend a briefing on the Navy's concept of a sea-based ABM system. The Director asked the Board of National Estimates to monitor this. DDCI said that he will make the arrangements and will also attend.

The Director discussed the Annex of yesterday's PDB in connection with his appearance before Senator Gore's Subcommittee on Disarmament this afternoon. (See Action 3)

The Director commented that, when an action in a cable is attributed to the initiative of the White House, it is important to know the specific individual involved.

ACTIONS:

1. The Director told the DD/S that the recruiters should keep their appointments but that the University should be informed that we prefer not to become involved in the proposed discussion meeting. (DD/S - In the course of the day)

2. The Director asked the DD/S to make the necessary arrangements with NIH. (DD/S - 7 February)
